NEW SAFETY PROCEDURES for MASS

The Archbishop has announced precautionary measures for Mass in light of the high transmission of the Covid-19 variant. Please note the following changes and restrictions will be implemented this weekend at Midd-South Parish:

- Masks are **HIGHLY** recommended for everyone in ALL parish worship, office and meeting spaces. Hand sanitizer is also available at various locations in the facilities.
- Designated locations at both campuses will **require** masks and social distancing and will be clearly marked with signs as follows:

-The Father Fanning Hall at St. John of the Cross Campus will require anyone in the space to observe 6ft social distancing for seating and walking and all must wear a mask.

-The Daily Chapel and the entire left side of the main worship space at Sacred Heart Campus will require anyone in the spaces to observe 6ft social distancing for seating and walking and all must wear a mask.

-In the main worship areas in both locations, Father Fanning Hall and Daily Chapel everyone please note the blue tape X marks on the floors to help maintain social distancing while moving in the communion line.

-Choirs in both locations will not sing and music will be limited to the cantor and accompanist.

We hope these procedures meet the individual preferences of our members and allow for a safe gathering so that each of us can be present to the celebration of the Eucharist and all feel welcome in this challenging time.
